

Making Money in Home Energy Audits & Retrofits

March 16, 2010
5 to 7:30 pm

VisTaTech Center, Schoolcraft College
18600 Haggerty, Livonia (734) 462-4610

Cash for Caulkers? Home Energy Audits? Home Energy Efficiency Retrofits? What opportunities do these present for residential contractors?

Join us as we hear from Building Science Academy who will present strategies and opportunities for home remodeling contractors:

- ◆ What is Cash for Caulkers?
- ◆ What utility and state programs exist for the home construction industry?
- ◆ What opportunities lie in the construction retrofit market?
- ◆ What is home performance? What are home performance models & standards?

Building Science Academy is a Building Performance Institute Certified Professional and Accredited Contractor, with experienced staff that have performed over 1000 combined energy audits and construction retrofit projects. Learn more about how this area may deliver more work to your firm.

ie Intelligent Estimate
from Andersen
Online estimating tool for remodelers and builders.

Intelligent Estimate helps deliver fast, detailed, and accurate "whole project" construction estimates, and generates professional proposals that will help you close more sales. Once you win the job, you can track costs and manage project details—any time, from anywhere.
