NARI is pleased to present our first annual series on the Business of the Business. We have a tremendous line-up of speakers with experience and information that will help you grow your business.

Join us on September 21 for our 2011 Market Outlook, as Eric Krajewski from Bank of America Michigan is joined by Brad Kozel of Ferguson Enterprises, Lee Willwerth of DreamMaker Bath & Kitchen, Jan Youd of Andersen Window Corporation, and Diane Gilson of InfoPlus Accounting to discuss business expectations for 2011.

Eric will begin by sharing financial insights and opportunities that have a direct impact on the remodeling market. We will then hear from our NARI member panel on what trends they are seeing on a national and state level.

Wondering how to navigate today's economic ups and downs? Wondering how to prepare for tomorrow's opportunities? Don't miss this program!

Pre-registration is required.
Registration includes a light dinner @ 5:00 pm.
