

# Custom Design/Build

Whole House Remodel

7

2814 Hampshire Road | Ann Arbor

*Every home -and every homeowner- are wholly unique. A full service team specializing in fine homebuilding, we begin each project with that simple premise. Through “deep” design, world class craftsmanship and your personal inspirations, we strive to discover and emphasize the unique elements that make your house YOUR HOME.*

## PROJECT > Whole House Remodel

### The Tao of “Not So Big”

Drawn to the concept that *fully* inhabiting a smaller footprint is the best way to live green, our clients began their journey by committing to the starter neighborhood they love. Their extensive makeover spanned 14 years and 7 projects to transform this modest home into a tranquil and stylish retreat.

~Don’t miss these special features!

- Serene masterbath sanctuary w. walk-in shower for two
- Indoor/outdoor Great Room with private, Zen courtyard
- Elegant cherry and black granite kitchen seamlessly expanded outward to adapt for larger gatherings
- Lower-Level den, wine, wardrobe, bath & laundry spaces
- Rain barrel system, urban gardens & paver landscaping

Please drop by to learn how innovative and ecologically-minded design practices can help a “Not So Big” house *LIVE LARGE!*

**DIRECTIONS >** From the intersection of State Street and Eisenhower Parkway go East on Eisenhower, continue as it turns into Packard Road, turn left onto Chesterfield Drive, take the first right onto Hampshire Road; arrive at 2814 Hampshire immediately on the left.
